

Manager in Development (MID) APPLICATION

This comprehensive program is designed for use within the club environment. It abounds with reading, writing, research and speaking opportunities, as well as plenty of “getting your hands dirty” experiential learning sessions.

CMAA welcomes you to the world of club management. It is our goal to assist in your professional development and continuing education throughout your career. The MID program is a wonderful way to begin this venture. This program can lay a solid foundation upon which to build a successful career.

The MID program requires that a sponsoring manager/mentor be involved to supervise the learning process. This person will have an active role and must be willing to invest considerable time, resources and encouragement throughout the two-year (one year minimum three year maximum) training period. Your mentor should be the general manager/chief operating officer or clubhouse manager of the club where the majority of the learning in this program will take place. Select a mentor wisely! Both parties need to be interested in attaining this goal.

Please fill out and sign the information below. Your mentor’s information and signature must also be included.

Requirements:

- You must be at least 18 years of age.
- You must be currently employed at a club. (The program is modular by design, therefore, if you change clubs before completing the program, it can move with you.)
- You and your mentor must be members of CMAA to receive the program materials compliments of The Club Foundation. The program materials are available to non-members at a cost of \$500.
- A CCM or MCM must be involved. If your mentor is not a CCM or MCM, a second sponsoring manager/mentor who has one of these designations must sign the application and be involved in the MID evaluation process.

MID Applicant:

Name: _____ CMAA Member #: _____

Club: _____ Position: _____ Years in Position: _____

Address: _____
